Dewan's Office

Inspection Department

Note.

Subject :- Petition no 17 dated 28th June 1901, from Sampathkumara Bhattar, one of the Archaks of the Sri Chinna-Kesavaswamie Temple at Belur, appealing against the order of the late Inspection Secretary, in the matter of the Archak's duties to be performed by turns in the Sri Chinnakesavaswamie Temple

There are two Archaks in the Sri Chinnakesavaswamie Temple

at Belur, each getting a

salary of Rs 5 per mensem —

One of whom is called

Keshava Bhatta and the

other Sampathkumara Bhatta,

the present petitioner).

It appears from the records available in this office that during

In 1897, only one Archak was

at a time

during the Puja work in the

temple, ~~by turns~~, while the

other never attended to the

at that time

Temple work, through both of

them received their salaries

monthly. In may 1897, Mr.

B. L. Krishnaiyar, the then

Dy Com[illegible]ner of the Hassan

District, wrote a D.O. to the

late mysore Secretary,

suggesting that both the Archaks

should

should continue to attend to the work; and added that while the one was engaged in the main temple, the other might attend to the work in the minor shrines or ~~in the~~ ~~[illegible]~~. On this D—o, the Mugrai Secretary ~~has~~ remarked "So I have arranged during my last visit".

In February 1898, the Dharmakarsees of the Temple reported to the Dy Commr that (1) Arichak Sampat-Kumara Pichutta (the present petitioner) was very irregular in his attendance (2) that he never put in his appearance in

(1) Thammayya
(2) Rama Rao
(3) Keswa Dasiengar.

in the temple for a single

day since the 1st January

1898, nor did he obtain leave

(3) that he was generally in the

habit of applying for leave occasionally

under the pretext of illness.

(4) that the present arrangement

that each Archak had to work

in the main or the minor

temples by turns of one year,

was prejudicial to the temple

work, which suffered very

much in consequence and

(5) that therefore they preferred

the other Archak Kesava Bhatta,

who was a very respectable

and trustworthy man, to

work in the main temple

permanently, leaving this

irregular and untrustworthy

Archak Sampathkumara Bhatta to do puja work in the minor temples, in as much as both the appointments carried equal emoluments with them.

On this report of the Dharmadarsees, the Dy Commissioner nor B. L Krishnaiyar noted the following remarks: —

* Dated 23rd February 1898.

"I have enquired on the spot. Sampathkumara Bhatta has been inattentive to his work and has absented, on pretence of sickness, without leave, himself, though he has put in an incompetent substitute, without —

~~obtaining leave on plea of sickness~~. The minor temples in his charge are in a neglected state and unless he mends his conduct, the advisability of his being continued in service shall have to be taken into consideration -

4 For the further management of the temple and its worship, the arrangement proposed by the Dharmakarsees may be sanctioned with the approval of the Mysore Superintendent to whom this may be submitted.

11 Both the Archakas get the same pay and they may

may as hitherto enjoy the
perquisites of Ruthotsava
in alternate years, but
the chief temple shall be
in charge of Kesava Bhatta".
These papers the Dy Comm^r
submitted to the Mugrai
Superintendent with his
Docket no 929 dated 15th
march 1898. Thereupon

The Mugrai Supt
Thereupon noted the following
remarks :—*

"The Dharmakarsans'
proposals concurred in
by the Dy Comm^r may be
approved. During my
inspection also I have
learned that Sampat-
-Kumara Bhatta

* Dated 18th march 1898.

was very indifferent to
his work. He may be now
warned that if he continues
to be so any longer, he
will be summarily removed
from his appointment.
It should not be left
to the Arabaks to appoint
their own substitutes when
they fall sick or take any
other long leave. The arrange-
-ment though temporary,
should be sanctioned
by the Irrigation Department".

Thereupon the following
final order was communicated
to the Dy Comm^r, in reply to
his Docket-No 929 dated
15th March 1898: —

cr

Has the honour to observe that from the Dharmadarsees' report and the Deputy Comr's remarks thereon, it is clear that the Archak Sampatkumara Bhatta, now doing Puja in the minor shrines of the Temple has been very indifferent in the discharge of his duties, besides absenting himself from work frequently without permission On this account, the Dharmadarsees apprehend that the Temple-Services might suffer by Sampat-Kumara Bhatta being allowed

allowed to take his turn
of Puja in the main Temple;
and they therefore propose
that in modification of
the present arrangements,
Sampathkumara Bhatta
be directed to continue to
do duty in the minor shrine
the Puja of the main Templ
being always attended to
by the other Archak
Kesava Bhatta. This
proposal which is supported
by the Dy Commr is approved.

2. "Sampathkumara
Bhatta should [illegible] d
that further indifference
to duty on his part will
entail his summary dismissal
from

from the Temple Service

3. It may also be remarked that it should not be left to the Archaks to appoint any substitutes they choose, whenever they fall sick or take any long leave. The arrangement should be subject to the sanction of the Mysore Department."

In 1900, Sampatkumara Bhatta complained to this Office against the said arrangement and he was informed by means of an Endorsement* in terms of the above order.

In May 1901 he again petitioned to this Office praying

* No 754 dated 23rd April 1901.

praying for the reconsideration
of the order and begging to
be allowed to do Puja in the
main temple; but he was
referred to the previous Endorsement.

He has again submitted
3 petitions on the same subject
stating:-

i That he had not been
indifferent in the discharge
of his duties as stated
in the Magrai Raja's order.

ii That he did not absent himself
without leave, but on the
other hand obtained leave
from the Archaka owing
to illness.

iii That there was no Complaint
from any of the devotees
to the effect that he do was
not doing the Puja work
properly and that he was
not aware

why the Dy Comr reported against him.

iv That the Dy Comr did not give him an opportunity to go and consult the circumstances in person, nor did he consult either the Taluk Amildar or the Magrai Officer, but acted on the mere report of the Dharmadarsees; and that the Magrai Sambayaka based his observations on the Dy Comr's report.

v That Dharmadarsee Keswa Dasimgar, who is also one of the temple servants, entertains some grudge towards him, because he wants

to

(14) 22

to favour the other Archak Keswara Bhattar, with whose father he had money transactions. And other Dharmadarsees simply signed the report prepared by Keswara Dasimayar, without going through the merits of the report even -

vi That he has been put to great loss, not being allowed to do the Puja work in the main temple

He therefore prays that he may be allowed to do Puja in the main temple by turns as usual.

SUBJECT.

In re the prayer of one Kesna Bhatta for his restoration to the Archakship of the Chennakesavaswamy temple at Belur

From

The Dy. commr. Hassan Dist.

No. 81/561 Dated 28th July 1905.

Kesna Bhatta, archak of the Sri Chennakesavaswamy temple at Belur has addressed the marginally noted petitions to this office complaining that he has been kept out of employment for the past one year and that his pay for one year is in arrear; and praying for his restoration to the office and for the disbursement of the arrears of pay due to him.

*no. 1416 of 20th Septr. 1904.

2 These petitions having been forwarded to the Dy. commr. for report, he has submitted a detailed report thereon together with the vernacular records relating thereto

(2)(17)

File No. of Muzrai Secretariat.

The Dy. comm^r in his report cited above, states that owing to the frequent unauthorized absence of the petr, Sri K S. Dorasami Iyer, the then Dy comm^r directed the latter to be temporarily relieved of his duties and appointed Sampata-Kumarabhatta, the other Archak of the temple (pending enquiry) in his stead as 2 Archaks are necessary for the temple, and recommends that the said Sampathkumarabhatta and Kesvabhatta (the petitioner) may be appointed to worship in the major Shrine and in the minor Shrines by annual turns, an arrangement which was in vogue before 1898.

3. As regard ars of pay due to the petr, he rep the amount claimed is the sum withheld by the Auditor for the period the Archak absented himself from duty without leave, and that the amount due for the period he was on duty will be disbursed to him when he applies for it.

4. The Dy Comm^r's letter states the facts of the case clearly but one point is omitted to be mentioned there. That is, after Sampathkumara Bhatta

was relieved of his duties in the major shrine by order of the late Muzrai Secretary in 1898, he appealed to Government in June 1901 against the said order, but he was informed under the orders of the Dewan Suhebi in march 1902, that the Govt declined to reopen the case -

Muzrai Secretary's Remarks.

The old correspondence connected with the two Archaks of the Sri Chennakesavaswami temple at Belur is explained in the previous pages of this Note, and the circumstances relating to the complaint of the present petitioner, Archak Kesava Bhatta, are clearly described in the Deputy Commissioner's letter No 81, dated the 28th July 1905. It will be seen that in the year 1898, it

was found that Archak Sampathkumara Bhatta was inattentive to his duties and now it would appear that in 1904 the other Archak Kesava Bhatta was similarly negligent. When I visited Belur in September 1904, I learnt that Sampathkumara Bhatta was performing the duties satisfactorily. Taking all these circumstances into consideration, the best plan seems to be to approve of the Deputy Commissioner Mr. Wetherall's recommendation that one of the two Archaks should do the puja in the major shrine and the other in the minor shrines (Suttulugudies) in one year and vice versa in the next year and so on. This will ensure the attendance of both the Archaks throughout the year and will also render the emoluments equal. Both the men may be strictly warned that if they do not perform the duties satisfactorily, they will be liable to be removed from their appointments. If approved, Archak Kesava Bhatta may be given the puja turn of the major shrine immediately, as he has been out of employ for about 18 months past. In regard to arrears of pay, I do not think they

The draft approved by the late Dewan was issued in Pro. no 3056 dt 18th Jan.y 1906 permitting the two Archaks of the temple to work by turns in the major & minor shrines.

D B

Kesava Bhatta, one of the Archaks who was given the Puja turn in the major shrine, petd this Office, stating that as he had to go out on private business, he required leave for 6 months and requesting that during his absence his brother (also a Hereditary Archaka of the Hereditary Office) might be appointed to act for him. This petn having been forwarded to the Dy Commr, that Officer reports that in accordance with the petitioner's prayer leave was granted ~~on the condition mentioned~~

(his no 374 dt 6.11.06 Paper under disposal)

~~of his brother~~, but that it was not possible to entrust the duties of his brother, because, the Dy Comm says, the Temple owns rich jewellery to entrust which to a new man is undesirable. The leave applied for by the other Archak also appears to have been refused, as he wished his son to act for him

The petr. contends that it is not possible to always remain in the temple to the detriment of his other private business and that his own brother who has also a hereditary claim to the office is equally responsible.

In the case of the Agamika of the Vanjiamgud temple who has three or more appointments in different places, the Govt have permitted him to get the work done

The petitioner Sampath Kumara Bhatta, Archik of the Sri Cheeruna Keshava Swamie temple at Belur, hereby begs to ~~submit~~ appeal on the enclosed order no 902 dated 23. 4 1901 passed by the Deputy Secretary ~~stating~~ that there are no proper grounds to interfere with the order passed by the Nunjeraj Secretary on the 19th March 1898.

The above order discloses the following three grounds upon which my ~~neglect~~ of puja in the Major Shrine of the above said temple has been deprived of:

(1) That the petitioner absented himself without permission, (2) That he is indifferent in the discharge of his duties (3) That much inconvenience would be ~~resulted~~ to the devotees if the petitioner be allowed to continue to do puja in the main temple.

With reference to the 1st point the petitioner begs to state that he was on leave on Substitute

a

my brother-in-law whose competency had been approved by the District Mukhtarai officers (Vide Copy of the order no 348/69 dated 19.12.97) when the Deputy Commissioner visited the temple, as per orders of the District and Taluk Mukhtarai officers, as may be observed from the references noted in the margin and that it is surprising how the Deputy Commissioner believed the correct statement of the Dharmadarsi Ramadasaiya as he through ill will towards me had been working for my removal since his appointment as Dharmadarsi, which can be clearly seen from the records connected with my annual turn of puja of the temple and how other Dharmadarsis who had not been taking any interest in the affairs of the temple but simply signed through the influence of Ramadasaiya and reported to Government without reference to the orders of the District and Taluk Mukhtarai officers and without any enquiry whatever and the petitioners explanation being taken.

Copy of the Mukhtarai officers order no 32/5 dated 17.7.1897 and Amildar's order no 184 dated 3.2.1898 in original.

As regards the 2nd and 3rd points the petitioner begs to allege that

that he has put in a service of
40 years to the satisfaction of the
devotees and the Managing officers,
which can be clearly seen on a
reference to the reports of the Managing
officers Mr. Chendrasekharier
and Mr. Parama Siva Iyer and
the Sub. Division officers in
Mr. N Venkata Rao (Vide his
report No 170 dated 14. 7 1893 given
on the endorsement produced here-
-with) and also the annuldars of
the period and state that the
opinion of the devotees of the place
may be enquired into the matter.

The petitioner further begs
to refer to the report made by
B. Krava Iyengar one of the two
working Dharmakarsis of the
temple when the petitioner's
annual term of puja was about
to begin in the early part of 1898.

Under the above grounds
the petitioner most respectfully
and humbly begs that by hearing
the petitioner in person his prayer
may kindly be reconsidered
with full facts of the case
before the Government and then
orders may be passed allowing
the

the petitioner to do puja in the main temple, the right of which has unjustly been deprived of.

Abstract

2nd Appeal

Appealing against Muzrai Secretary's order No 754 dated 23d April 1901

Point 1

It is mentioned that when I was looking after Soothalagudi Puja & I neglected my duty.

Answer

I don't see any reason why Deputy Commissioner should be displeased with your conduct in this matter

this fact that I have
discharged my duties
properly if your honor
were to peruse the yadi
No. 45 of 14.7.99 received
from the Sub Div officer
Sakleshpur and the Amildar
to the Deputy Commissioner)
and the dockets dated
5.1.97 & 8.12.1896 (from
the Munsif officer, Hassan
& to the Deputy Comr.)

Point 2.

It is mentioned that
I was frequently absenting
myself without permission

Answer -

I was not absenting
without permission. I
don't know on what
authority the Dy Comr.
wrote to the Govt.

When I fell ill, I applied
for leave and was permitted
from the District office

Request your honor to peruse
Munsif Assistant Comr's
order No. 348 of 19.12.97 to shew
that I may substitute as a
pleader to discharge duties

Point

It is mentioned that if I

am allowed to worship Moola-
-devara, not only I don't worship
it properly, but I shall be the source
of trouble to the public.

Answer:-

Since I was appointed to
worship Mooladevara
of Doddagudi no person
complained against me.

What the Mun; Secy & the Dy
Com^r. have done on the mere
report of the Dharmadarsis
is unjust, they should atleast
have enquired me or should
have asked the opinion of the
Munrai officer or the Amildar

Grounds for the difference

I. Dharmadarsi Kesavadasa
Iyengar is the manager of
the temple.

II Kesavadasa Iyengar got
on by the help of Lakshmikanta
Bhatta, the Petitioner's father
with whom he (Kesavadasa iyengar)
has money dealings.

III This Kesavadasa iengar
got one Sheshavahanam
(with a mark against formal-
-ity (Paddhati)) prepared for
the temple and deprived the
Petitioner of Mirasi. As to
this Govt. took steps and settled
the matter.

IV When this Kesavadasa Iyengar
was Agent of the said temple
(1875-76) people complained
against him and got him dis-
missed from the service.

V A few other dharmadarsis who knew nothing of the accounts have also signed Kesavadasiangar's report.

VI. The foll'g are the damages I ~~have~~ for not allowing me to worship Mooladevaru.

1. I lost the right of worshipping Mooladevaru whom my ancestors and myself were worshipping from a long-time.

2. I sustained a loss of Mirasi which I used to get from the Tirthakartas of the devotees at their service.

3. I suffered a loss of the income I used to get at the time of Soothalgudi Utsavams and Kanike

Request your honor to protect me by giving my right of Puja (of Sri Chennakesavaswami temple).

ABSTRACT

With reference to Muzrai Secretary's docketed Endorsement No. 754 of 23-4-01 states :-

The Dy. Comrs opinion that he did not conduct the duties of worship properly is groundless - If said No. 450 14-7-99 from the Sub Division officer, Sakleshpur & also said docketed 15-1-9728-12-96 from the District Muzrai officer & the Dy. Comr. were gone through it would be seen that he had been conducting the duties properly

As regards the 2nd charge that he had been absenting himself with-out leave now and then he states that

MGCPB--23-3-01--3,000.

he never absented himself from duty
He is at a loss to know what made the
Dy. Collr. to report against him. He
was granted one months leave in 1897.
As regards the competency of the man he
had appointed as his substitute vide
No. 3480/19-12-97 of the Huzrat Apte. Collr.
may be gone through.

As regards the 3rd item that if he was given
the opportunity to conduct the worship of
"Kula devata" the duties connected with
the worship would not be carried out
properly and the people would be put to
much difficulty he states that there was
no complaint against him since 1859.
Since when he has been conducting the
above duty by turns. He is at a loss to know
what made the Dy. Collr. to report against
him. The Dy. Collr. without making any
Enquiry and solely depending on Dharma-
-dorsis report submitted a report to the
Huzrat hereby who accepted the said
report. This is unjust.

One of the Dharmadorsis viz. Keshava-
-dasiengar who is in the management
of the temple, is also one of the Temple Servants
He has money transaction with Sasi Ardhat
Keshava Bhatta. There is ill feeling between
him and Keshavadasiengar against whom

a complaint was lodged about the Lanchanam & Seshavadhanam he presented to the temple and about the mirasi due to him which he withheld. Formerly he was the agent of the temple. In 1875-76 he was dismissed at the complaint of the villagers some others who are Dharmadarsis only nominally and who do not take any interest in the receipts & profit and loss to the temple have also signed the report.

He has incurred heavy loss by depriving him of the worship of the Mula Devaru &c.

Prays that on perusal of all the records his Hon may be pleased to

OFFICE OF THE DEWAN OF MYSORE
RECEIVED No

REG. No. 191
MUZRAI BRANCH

To

L. Anantaswami Rao Esqr. BA

Deputy Secretary to the

Government of Mysore

Muzrai Department

Sir,

Archak Sampathkumaarabhatta of Sree Chennakesava Temple, Belur, Hassan District most humbly begs to submit a second appeal on the endorsement order No: 754 dated 28th April 1901, of Muzrai Secretary, extract from which are quoted in the margin with the humble explanation of the undersigned.

Points of Complaints made by the Deputy Commissioner against the Sampathkumaarabhatta doing puja in the minor shrines of the Temple has been very indifferent in the discharge of his duties.

In support of his having discharged his duties properly, you will be pleased to refer to the docket No: 45 of 14th July 1899, written by the Taluk Amildar and the Sub Divison officer of Sakleshpur to the address of the Deputy Commissioner and also the dockets of the 5th January 1897, 8th December 1896, and 6th April 18

from which it will be found that he has been quite free from the blame of the kind.

II. He absented himself from duty frequently without leave.

On account of serious illness, he had to apply to the Amildar for (6) six months leave on the 1st July 1897, who finding it to be true reported to the Deputy Commissioner and got him the required leave sanctioned, Vide No: 32 of 17th July 1897 from the Deputy Commissioner.

Further he begs you will be pleased to refer also to the order No: 348 of 19th Decem 1897 of the District Magistrate Officer and that of the Taluk Amildar No: 184 of 3rd February 1898 to the effect that his substitute or nominee was a fit person.

III. The Temple Service might suffer by his being allowed to take his turn of puja in the main Temple

According to the order No: 27 of 11th October 1859 of late Chief Commissioner, he has been discharging his duties to the entire satisfactio

of the public and especially of the three sects of the Brahmens. If any irregularities had been noticed in his work there would have been some record either in the Taluk or in the District Munsif office; The entire absence of which very strongly goes to prove that he has been attending to his duties efficiently and carefully

Without taking his explanation, or the opinions of the Taluk Amildar, or the District Munsif officers Mr. B.G. Krishna Iyengar the then Deputy Commissioner of the District has written to the Government on the mere strength of the direct report of the Dharmadarsees who are not for the following reasons well disposed towards him, the acceptance of which by the Munsif Secretary has acted prejudicially to him

(1) Dharma Darsee Kesavadasaiengar who looks after the management of the temple is dead against him from the beginning

(2) The said Kesavadasaiengar was a great friend of late Lakshmi Kantbhat father of the other Archak Kesavabhatta, to as much as he was indebted to the latter to a very large extent.

(3) That the said Kesavadasaiengar had got his Seshavastranam "made for the God some 7 or 8 years back. And as the carrying of it did not correspond to usage it was objected to by the petitioner, and his demanding his Mirasee which was transferred to Lakshmi Kantbhat by the said Kesadasaiengar which led to a report being made against him to Government

Ever since the said Kesava dasa Iyengar been
cherishing ill-feelings against the petitioner.

(4) During the year 1895-96. the said Kesavadasaiengar was the agent of the said Temple; owing to his unpopularity and other complaints against him by the public, he was dismissed.

(5) The said Kesavadasaiengar being a very influential man the other Dharmadarsees have signed his report against the petitioner.

The losses, the petitioner has incurred on account of his having been deprived his rights of worship in the main Temple are many, among which he begs to point out the following

i Loss of his hereditary right of puja in the main Temple.

ii. Loss of all perquisite during the puja offered by the devotee during their worship, the kind of which cannot look for in the worship of the Smaller Shrines except his pay.

Under these circumstances, the petitioner humbly begs to state that the facts mentioned in this petition may kindly be taken into consideration along with his petitions dated 27th July and 5th August 1901 respectively forwarded to Government and humbly begs that the file of correspondence mentioned in this petition bearing on this subject may be sent for from the District office and by hearing him personally, you will be pleased to pass favourable order restoring the petitioner to his hereditary worship in the main Temple. Further he begs to enclose a few copies of References he has bearing on the subject.

(a) order of the Deputy Commissioner granting him leave for six (6) months.

(b) District Munsif officer No: 348/69 of 19th December 1869 approving

(b) approving the services of his substitute during his leave and reprimanding certain Temple servants.

(c) Taluk Amildar's No: 184 of 3rd February 1898 approving the exclusion of his leave on his former substitute Sreenivasbhat.

(d) Munzrai Secretary's order No: 1192 of 8th March 1898 removing him entirely from the worship of the main Temple on the authority of the direct report of the Dharmadarees through the Deputy Commissioner.

(e) M. E. No: 170 of 18th November 1900 from the Sub Division officer intimating the petitioner that all his applications have duly been submitted to the Deputy Commissioner with his opinion.

(f) No: 754 of 23rd April 1901 from the Secretary Munzrai Department, intimating him that the Government finds no grounds to interfere in the petitioner's case.

In Conclusion, ~~the~~ petitioner most humbly and respectively begs leave to please these into your kind Consideration and requests to comply with his request of restoring him to his former position for which act of kindness, as in duty bound, he ever prays for your long life and prosperity

He begs to remain

His ~~Excellency~~ No 929 dated 15th March 1898 submitting for orders the report of the Dharma-Darsees of the Sree Channakaswaraswamy Temple at Belur in regard to the Puja turn of the two archaks on the temple establishment

Has the honor to observe that ~~from~~ the Dharmadarsees Report and the Deputy Commissioners' remarks thereon, it is clear that the archak Sampathkumarabhatta, now doing Puja in the minor Shrines of the temple has been very indifferent in the discharge of his duties, besides absenting himself from work frequently without permission. On this account the Dharma-Darsees apprehend that the temple service might suffer by Sampathkumarabhatta being allowed to take his turn of Puja in the main temple and they therefore propose that in modification of the present arrangement to Sampathkumarabhatta be directed to continue to do duty in the minor Shrines the Puja of main temple being always attended to by the other archak Vasavabhatta. This proposal which is supported by the Deputy Commissioner is approved.

Sampathkumarabhatta should be warned that further indifference to duty on his part will entail his summary

dismissed from the temple Service

It may also be remarked that it should not be left to the archaks to appoint any substitutes they choose whenever they fall sick or take any long leave. The arrangements though temparary should be subject to the sanction of the Muzrai department

Most honored Sir

The humble petition of Sampathkumara Bhatta, ... Archaka of Sri Channakesava Swamy Temple, Belur Taluka Hassan District.

I beg to bring to your kind notice that the former Deputy Comr of the Hassan District, Mr B G Krishna Iyengar Summarily deprived me of my hereditary post of Archak without enquiring into the case and without obtaining the opinions of the Amildar and the District Muzrai officer.

I submitted in June last 2 or 3 appeal petitions to the Dewan & the Govt of Mysore for which I received no endorsements - and on July 04 I explained to your honor in person the details of my case and as per your honors order I produced all documents and statements connected with my case, and your honor was

was pleased to reply me after a couple of days that my petition was sent to the Diwan of Mysore - I stayed at Bangalore for 2 months and as I became unwell I had to go to Belur. As I am deprived of my post for the last 5 years I find it extremely difficult to get on with my livelihood.

I earnestly pray that my case may be enquired into at an early date and that orders may be passed for my early reinstatement into my post of Archaka

Bangalore -

Sir,

Adverting to your docket No 1795 dated 22nd November 1904 forwarding for my post a petition from Kesavabhatta alleging that he has been deprived of the Archakship in the above temple I have the honour to state that the petitioner is one of the two Archaks of the Sri Channakesavaswamy temple at Belur who were performing the duties by yearly turns till the division

Kesavabhatta failed to present himself befor the Amildar even after repeated orders, for the purpose of inspection of the jewels kept in a box in the treasury under his (Kesavabhatta's) seal.

Slip D

3. On the 7th March 1904 the Offg Deputy Commissioner (Mr K. S. Dorasamiyer) passed an order directing Kesavabhatta to be relieved of his duties and appointing Sampathkumarbhatta in his stead. He directed that Kesavabhatta should be sent forthwith to Hassan to render his explanation upon the charges to see whether he should not be dismissed from service summarily.

4. The Treasury Assistant Commissioner (Mr B. Ramaswamy)

gainst him Successive Amildars
d the Revenue Sub-Division Officers
ve noticed his dirrliction of duty.
t last Mr C. NarasingaRao
ade a Cauarrse report No 48 dated
.9.1903 (an English translation
which is thereto attached). Details
the varions misdemeanours of
rchak Kesavabhatta are therein
numerated. As Revenue
b-Division Officer, Saklaspur,
brought the irregularities of this
rchak to notice in my Rgadi
399 dated 27.10.1903 addressed
the Deputy Commissioner. Kesava-
hatta was not discharging his
uties regularly and was
requently absenting himself
rom the Place on private affairs
sputing his brother-in-law to
erform his duties without
btaining the permission of even
e local authorities. Moreover

Kesavabhatta

Kesavabhatta failed to present himself before the Amildar even after repeated orders, for the purpose of inspection of the jewels kept in a box in the Treasury under his (Kesavabhatta's) Seal.

Slip D

3. On the 16th March 1904 the Offg Deputy Commissioner (Mr K. S. Doraswami Iyer) passed an order directing Kesavabhatta to be relieved of his duties and appointing Sampathkumarbhatta in his stead. He directed that Kesavabhatta should be sent forthwith to Hassan to render his explanation upon the charges to see whether he should not be dismissed from service summarily.

4. The Treasury Assistant Commissioner (Mr B. Ramaswamy)

as deputed to make a detailed
amination of the jewellery and
er property of the Sri Chamakesava
amy Temple with a view to find
t whether any were missing.
copy of Mr B. Ramaswamaiya's
ort was submitted to you with
y docket No 169 dated 10th September
4. That report gives a lucid account
the state of affairs connected
ith the Temple jewellery.

5. The petitioner Keravalkatta
leges that his pay for one year
in arrears. The amount he
ims is the sum of money which
Amildar has withheld
ayment for the period this
rchak absented himself from
uty without leave in each
nths. The amount due for the
riods he was on duty will be
isbursed to him when he applies
or it, as the Amildar reported
that

Separately
Sealed with a
Ser

that Kesavabhatta objected to the deductions made and hence the balance was not paid to him.

6. Kesavabhatta was heard in person by me at Belur on the 14th May 1905 in reply to the charges brought against him, and his explanation was then recorded on the many points mentioned in the above quoted report of the Amildar and in the previous and subsequent Correspondence on the Subject. His explanation is far from Satisfactory and it is obvious that Kesavabhatta was inattentive to his duties and disregarded the orders of the local Mugrai officers and frequently absented himself from duty without permission. His youthful proclivities

mbined with the engrossing work
his Coffee estates rendered him
nable to attend regularly to
e worship of the important
mple of Belur where devotees
d others come daily to make
fferings and prayers and to see
e architectural beauty of
e temple.

7. As two Archaks are
ndoubtedly necessary for
asons mentioned in the
Wilder's report and as the
requisites of the major Shrines
re greater than those of the
inor Shrines, I propose that
e original practice obtaining
efore 1898 be restored so that both
Rampathkumarbhatta (who has
en discharging his duties
Satisfactorily

satisfactorily. besides being a more elderly man of learning and well versed in the Agamas) and Kesavabhatta may worship in the major shrine and in the minor shrines by annual turns. This arrangement will stimulate healthy rivalry in the proper discharge of the duties by both the Archaks and will also distribute the perquisites equally between them.

8. Moreover, it will be observed from the records that Sampathkumarbhatta was in 1898 accused of no greater offence than has been brought home to Kesavabhatta now, so that both the Archaks have suffered for their inattention and disobedience of orders. It is therefor desirable to give

em opportunities of retrieving
er conduct; at the same time
rating healthy rivalry between
em. The work of Sampathkumar-
atta since his restoration to
e worship of the main shrine
as been satisfactory and as
on visited Esklur temple on
our last tour through this
istrict you are in a position
judge of his fitness and
bsequent reported behaviour.

9. The delay in the submission
this report is due to the absence
the Archak Narayanabhatta from
klur when I had been there
meet the First Councillor in
anuary last on which occasion
sent for him with a view to record
is explanation. Subsequently I
sued a written notice to be

served

Served on him by the Amildar for his appearance befor me. The Amildar reported that the notice was served on Kesavabhatta's brother who stated that Kesava bhatta was absent in Shimoga on account of a case pending befor the Deputy Commissioner there. He appeared befor me only on the 12th May last at Hassan and as I had made an appointment to meet Mr N. Venkata Rao, Offg. Deputy Commissioner of Kadur District, at Belur in connection with Agricultural Bank matters I directed Kesavabhatta to appear befor me at Belur camp on the next day and obtained his signature to a notice to that effect. Accordingly I had his explanation recorded befor me at Belur on the 14th idem. During the progress of work in connection with the pending

to of the Saklaspur Agricultural
ank and other urgent work
hich had to be attended to before
close of the past official year
04-05 and owing to my recent
r in Chamarajapatna Taluk
connection with difficulty
pasture for cattle in that
luk this report was not earlier
bmitted.

10. The entire vernacular record
nnected with the subject and
e explanation of Kesavabhatta
corded before me at Arkur
gether with his three petitions
re herewith submitted for
former and kind return.

Dear Mr Ananthadamy Rao

In reply
D.O. letter of the
6th instant I write
you that the
concerning
Bhatt Archak
of Belur Temple was
replied yesterday -
I again bring to
your notice the difficulty
of

of getting Murrai work
done in my office
without a single hand
of the Murrai Dept to
attend to it regularly
& exclusively The
Official now attending
to it has to get through
the work in addition
to his own heavy
duties of other Depts
Considering that the
Murrai work of this
District is second only
& that of Mysore District
it

it is indeed hard
expect the work
to be done by an
of another
- in addition
own duties,
now that
has increased
owing to the
prescribed
accounts to be kept.
I made an official
to you on the subject
time back, and
am referred to it in
a subsequent reference
but

but I have yet
no reply on the
matter yet.

Kindly move the
Government to sanction
some Mugrai Establish-

Trusting that you
are enjoying good
